Jap Priests

MAR 23 1947

4 Jap Priests Held Here

The ruling priest in America of the Konkokyo Church, an offshoot of the Shinto sect, with headquarters in San Francisco, was one of four priests and thirteen other Japanese aliens taken into custody today in the most farflung FBI raids since March 6.

Among the lot, picked up in fourteen of the twenty-five northern California communities swept by a hundred FBI agents and local authorities, also was a reserve officer of the Japanese imperial army.

MAIN CHURCH HERE

Picked up here, reportedly at 1909 Bush street where the main church of the Konkokyo denomination in the United States is located, was Torao Tateno, born and reared in Japan, educated at the University of Waseda there.

After five years of military training and six months of

schooling for the Konkokyo priesthood in Japan, Tateno, it was stated, came to the United States three years ago and took charge of the Konkokyo Church in Tacoma.

Last October he came to San Francisco and was instructed by Bishop Y. Fukuda, then head of the Konkokyo Church in the United States, to organize a branch at Stockton. But, before he could do that, it was explained, Bishop Fukuda was nabbed by the FBI and was replaced by Tateno.

Nat Pieper, special agent in charge of the FBI office here, while withholding comment on the raids, said that Tateno admitted his church was "strongly pro-Japanese and sponsored Japanese activities generally."

3 OTHERS HELD

Two other priests of the Konkokyo Church and one of the Tenrikyo denomination were among those picked up in today's raids, which also focused on alien Japanese suspected as members of the Military Virtue Society and as leaders of a group collecting funds for the Japanese forces.

Various vital military vicinities, such as McClelland and Mather Fields at Sacramento and the Army's advanced flying school at Stockton, were objects of the raiding posses, armed with presidential warrants.

NEW ALIEN RAIDS

MAR 25 1942

RECEIVED MAR 25 1942

Squads of FBI agents and local police and deputy sheriffs went into action against enemy aliens again today in raids over San Francisco and 12 other Northern California counties.

Nat J. L. Pieper, in charge of the FBI for the area, said 100 officers were taking part in the raids, and that Japanese taken into custody were being held for the Immigration Service "on the basis

that they were known to be potentially dangerous enemy aliens."

The roundups were the most extensive since the weekend of March 6 and 7, when 105 enemy aliens and large quantities of guns, ammunition and other contraband were seized.

Largest raiding groups today were operating in the vicinity of military and municipal airports near Sacramento, Stockton and Salinas, and

along the Peninsula. Those areas already have been raided several times, and the new operations were based largely upon documents seized in previous roundups and additional information developed by Army and Navy intelligence officers and the FBI.

Many of the Japanese for whom warrants were issued were known to be members of the Military Virtue Society and of an organization

tion that has been collecting funds for Japanese armed forces. Several Shinto priests also were listed.

The raids were tied tied to an effort to put into custody every dangerous alien before the Army removes all Japanese aliens and all Japanese-Americans from the defense areas of Washington, Oregon, California and Arizona. Evacuation orders are expected shortly as most preliminary preparations have either

been completed or initiated.

Indicative of the imminence of the evacuation order, the Army has banned further voluntary removals of the Japanese from the affected zones, effective tomorrow midnight. Scores were reported moving East today in an effort to get to places of their choice before the Army places them in reception centers and resettlement areas.

The Army this week also placed all Japanese as well as German and Italian aliens under curfew restrictions which forbade their traveling outside a five-mile radius without permission and which required them to remain in their homes between 8 p.m. and 6 a.m. nightly.

Superseding a previous curfew order, the new Army edict cancelled all previous exemptions and refused to grant new exemptions.

Shinto Priests Face Arrests

A detail of more than 100 Federal Bureau of Investigation agents, sheriff's deputies and police struck simultaneously at dawn today in 13 Northern California counties, including the Metropolitan Oakland area, in raids aimed at Japanese members of the notorious Military Virtue Society and Shinto priests.

Nat J. L. Pieper, special agent in charge of the San Francisco F.B.I. office, said today's raids were the most widespread since the enemy alien roundup during the week-end of March 6.

Also sought on presidential apprehension warrants are members of a secret Japanese society which has been collecting funds for the Imperial Japanese Army and Navy, Pieper declared.

EASTBAY ACTION

The agents, split up into the mobile groups, were scheduled to invade at least 25 cities and towns from Monterey to Sutter and Yuba counties. Raids were expected in Oakland, Alameda and Concord.

Definite objectives and specific suspects in the raids were determined, Pieper said, as the result of exchange of information between the F.B.I. and officers of the Naval Intelligence and Military Intelligence Division of the Army.

In many instances, agents were re-visiting areas as a result of "leads" picked up in previous raids.

Membership lists, correspondence and similar data provided raiding officers with invaluable information, it was learned.

WIDESPREAD DAWN RAIDS

As dawn broke, the raiders struck in Alameda, Contra Costa, Solano, Santa Clara, San Francisco, San Joaquin, Monterey, Stanislaus, Sacramento, Yuba, Sutter, Placer and San Mateo Counties.

One group descended on suspected enemy alien "nests" in the vicinity of strategic McClellan and Mather Fields and the Sacramento Municipal Airport. They then fanned out to raids at Florin, Colusa, Vacaville, Dixon, Marysville,

Members of Notorious Military Virtue Society, Shinto Priests Objects of Sweep

Continued from Page 1

Auburn, Loomis, Yuba City and Newcastle.

On the San Francisco Peninsula, the agents pounced on alien suspects at San Jose, Mountain View, Cupertino, Campbell, Saratoga, Pescadero and Los Gatos. Then they proceeded to Morgan Hill and Salinas.

STOCKTON AREA SWEPT

Attention was focused on the defense-vital U.S. Army Advanced Flying School and port facilities in the Stockton area also.

"Those persons being taken into custody," Pieper said, "are being held for the Immigration and Naturalization Service on the basis that they were known to be potentially dangerous enemy aliens."

Believed scheduled for arrest in the large-scale round-up also were Buddhist priests, Japanese newspapermen and Japanese language school teachers.

'HIGHERUPS' ON LIST

"Higherups" in enemy alien espionage and sabotage machinations who have been under constant surveillance were to be taken into custody it was reliably learned.

F.B.I. agents described today's raids as a "systematic round-up of possible fifth columnists."

129 ROUNDED UP

Meanwhile, it was disclosed that F.B.I. agents had rounded up 129 Japanese aliens in the San Joaquin Valley counties of Fresno, Madera, Kings, Tulare and Kern since Wednesday.

Mrs. Yurie Yamanishi, 43, evacuee from Los Angeles' Terminal Island, whose husband was one of those jailed at Hanford, died in a Fresno sanitarium. Dr. B. Okonogi said worry contributed to her fatal illness.

Without protest and almost without incident, the Army's rigid curfew regulations affecting 200,000 enemy aliens in the Western military area went into effect at 6 a.m. yesterday. F.B.I. agents said a few scattered reports of possible violations filtered into them, none flagrant.

ONE ALIEN ARRESTED

One German alien was arrested at Madera after he wandered into a liquor store to make a purchase at 8:30 p.m., a half hour after curfew. He was taken to the City Jail to await arrival of F.B.I. agents. The bulk of the violations, however, appeared to stem from ignorance or carelessness rather than wilful intent.

Under curfew provisions, all enemy aliens as well as American-born Japanese must be in their own homes between 8 p.m. and 6 a.m. daily, and at work or traveling between their homes and places of employment or traveling within a five-mile radius of their homes at all other times.

Army spokesmen said there would be no exceptions despite the fact that scores of enemy alien night workers, including janitors, porters and watchmen, are affected.

ANOTHER DEADLINE

Another deadline for enemy aliens and American-born Japanese arrives at midnight tomorrow, after which all voluntary movements from the proscribed military zones will be banned. Thereafter, these groups will have to await Army-supervised mass evacuation.

The "freezing" order was made after Army authorities disclosed that only about 600 Japanese aliens and American-born Japanese had taken advantage of the voluntary migration offer.

In this connection, Col. K. R. Bendtsen, assistant chief of staff of the Civilian Affairs Division of the Western Defense Command, took occasion to soothe the fears of Gov. E. P. Carville that Japanese would pour into Nevada.

PROTESTS TO BE HEDED

"It is my understanding," the Governor said as he emerged from a conference, "that the aliens will be distributed from reception and assembly centers into other districts, but not over the protests of people in those districts."

At the same time, Montana's sugar beet growers agreed to accept 4500 Japanese workers from the Pacific Coast providing they are kept under surveillance and are removed at the end of the war.

FBI Seizes Jap Priests in Raids

Japanese priests taken into custody in renewed FBI raids today as "potentially dangerous enemy aliens" were reportedly receiving instructions from headquarters in Japan.

They were leaders of the Konkoku and Tenrikyo denominations of the Shinto sect, creeds based upon worship of the Japanese emperor as a deity.

"Investigation," said Nat Pieper, special agent in charge of the FBI office in San Francisco, "has disclosed that priests of the Tenrikyo Church receive

instructions and supplies from their headquarters in Japan."

Tenrikyo churches in the United States, founded in 1928, are reportedly dominated and controlled by Japanese nationals. Tenrikyo belief holds the sun as the supreme god and that the soul of the sun founded the reigning house of Japan.

Strongly pro-Japanese, Konkoku worshipers, prior to the attack on Pearl Harbor, were admittedly endeavoring to assist the Japanese cause by providing comfort kits to the Nipponese soldiers.

**100 Agents Hit in 13
No. California
Counties**

In the most sweeping raids since those of the weekend of March 6, when 105 enemy aliens were taken into custody, a hundred FBI agents aided by local authorities swarmed over thirteen northern California counties today in simultaneous searching forays in more than twenty-five cities and towns.

Various vital military vicinities, such as McClelland and Mather Fields at Sacramento and the Army's advanced flying school at Stockton, were objects of the raiding posses, armed with presidential warrants.

SEEK LEADERS

Chief targets of this systematic drive, it was indicated, were alien Japanese suspected as members of the Military Virture Society, as leaders of a group collecting funds for the Japanese imperial forces, and as Shinto priests.

Today's raids were taking place in San Francisco and in communities in Alameda, San Mateo, Santa Clara, Monterey, Contra Costa, San Joaquin, Stanislaus, Sacramento, Yuba, Sutter, Placer and Solano counties.

DATA EXCHANGED

Definite objectives and specific suspects, it was stated, were determined as a result of an exchange of intelligence information between the FBI, the Office of Naval Intelligence and the Military Intelligence division of the Army.

3 JAP PRIESTS SEIZED IN NEW ALIEN ROUNDUP

FBI Raids Staged
In San Francisco,
12 Other Counties

Squads of FBI agents and local police and deputy sheriffs went into action against enemy aliens again today in raids over San Francisco and 12 other Northern California counties.

Nat J. L. Pieper, in charge of the FBI for the area, said 100 officers were taking part in the raids, and that Japanese taken into custody were being held for the Immigration Service "on the basis that they were known to be potentially dangerous enemy aliens."

Three priests of the Konkokyo and Tenrikyo Churches, of the highly nationalistic Shinto sect, and a Japanese reserve officer were among those arrested first. One of the priests was Torao Tateno of San Francisco, who succeeded Bishop Y. Fukuda as head of the Konkokyo Church in this country following the arrest of Bishop Fukuda by FBI agents early in the alien roundups that began after war was declared. The church here was at 1909 Bush-st.

Mr. Pieper explained the priests were taken into custody as dangerous enemy aliens because "investigation has disclosed that Tenrikyo priests receive instructions and supplies from their headquarters in Japan, and that Konkokyo worshippers believe their bodies belong to their god and sovereign, the Emperor of Japan."

Tateno, a graduate of Waseda University, Tokio, reportedly had five years military training in Japan before becoming a priest. He has been in this country three years.

The roundups were the most extensive since the weekend of March 6 and 7, when 105 enemy aliens and large quantities of guns, ammunition and other contraband were seized.

Largest raiding groups today were operating in the vicinity of military and municipal airports near Sacramento, Stockton and Salinas, and along the Peninsula. Those areas already have been raided several times, and the new operations were based largely upon documents seized in previous roundups and additional information developed by Army and Navy intelligence officers and the FBI.

Many of the Japanese for whom warrants were issued were known to be members of the "Military Virtue Society" and of an organization that has been collecting funds for Japanese armed forces.

The raids were tied to an effort to put into custody every dangerous alien before the Army removes all Japanese aliens and all Japanese-Americans from the defense areas of Washington, Oregon, California and Arizona. Evacuation orders are expected shortly as most preliminary preparations have either been completed or initiated.

Indicative of the imminence of the evacuation order, the Army has banned further voluntary removals of the Japanese from the affected zones, effective tomorrow midnight. Scores were reported moving East today in an effort to get to places of their choice before the Army places them in reception centers and resettlement areas.

The Army this week also placed all Japanese as well as German and Italian aliens under curfew restrictions which forbade their traveling outside a five-mile radius without permission and which required them to remain in their homes between 8 p.m. and 6 a.m. nightly.

Superseding a previous curfew order, the new Army edict cancelled all previous exemptions and refused to grant new exemptions.

Arrest 2 Women Here In FBI Alien Roundup

Two more alien enemies were seized in Berkeley today as a curfew established by the Western Defense Command imposed further restrictions on movements of all Japanese-Americans and enemy aliens.

Picked up by Federal Bureau of Investigation agents and Berkeley police for questioning were two sisters, Mrs. Anna Wiedeman, 49, of 574 62nd St., Oakland, and her sister, Mrs. Kate Wiedemann, 47, a domestic at 37 Roble Rd., Berkeley, where they were taken into custody. The sisters, of German birth, were taken immediately to San Francisco after they were booked enroute to the U. S. Immigration and Naturalization.

The FBI agents learned that the sisters had married men with similar names, but spelled slightly differently. As far as the agents knew, it was learned, neither husband is any relation to Captain Wiedemann, former German consul-general at San Francisco.

REMAIN AT HOMES

Today's restrictive order, promulgated by Lieut.-Gen. John L. DeWitt forbids the movement of all enemy aliens and Japanese-Americans between the hours of 6 p.m. and 8 a.m. A second order "freezing" Japanese aliens and non-aliens will become effective at midnight Sunday. This decree forbids such persons to leave Military Area No. 1, comprising western Washington, Oregon, California and southern Arizona except as the Army shall direct.

The latest proclamation, signed last night by DeWitt, is designed to prevent the indiscriminate evacuation of aliens to other states. Henceforth all movements of these persons will be regulated by the Army for the protection of the Japanese and to insure proper shelter awaits them at their destinations.

The curfew order, affecting 260,000 persons on the West Coast, provides that no Japanese, German or Italian national or Japanese-American may be more than five miles from his home except when traveling to or from his job or to an official alien control office, or is being evacuated under Army permit.

New Alien Roundup

Four 'Military' Japanese Priests Seized as FBI Strikes in 13 Counties

Members of Nationalistic Shinto Sect Taken Into Custody On Presidential Warrants

FBI agents and local police raided on a 13-county front in Northern California yesterday, sweeping into the alien enemy net members of the nationalistic Japanese Military Virtue Society and a number of priests of Shinto Sect churches.

Seventeen persons in 14 communities had been taken into custody on Presidential Apprehension Warrants.

Among them were four priests and one reserve officer of the Imperial Japanese Army.

Torao Tateno, priest of the Konkoku Church, arrested in San Francisco, was a good example of the type of enemy alien picked up in yesterday's raids.

Tateno, born in Japan, spent five years of military education at Waseda University. He then spent six months training for the priesthood of the church which worships the Japanese Emperor as a deity.

He was sent to the United States three years ago at Tacoma. In 1941 he was ordered to San Francisco by Bishop Y. Fukuda and ordered to open a branch of the church at Stockton.

The Pearl Harbor attack came before Tateno could carry out these plans. Bishop Fukuda was taken into custody by the FBI. Tateno became head of the church in the United States, operating from San Francisco.

Yesterday the FBI had Tateno.

RAIDS BIGGEST SINCE MARCH 6

The Northern California raids, most extensive since March 6 when FBI agents took 105 persons into custody along with quantities of contraband cameras, firearms and ammunition, were directed by Nat Pieper, head of the FBI field office in San Francisco.

"One hundred FBI agents, local police and Deputy Sheriffs are participating in the raids," Pieper said. "Those persons taken into custody are being held for the Immigration and Naturalization Service on the basis that they were known to be potentially dangerous enemy aliens."

Agents were striking in 25 towns in the counties of San Francisco, Alameda, San Mateo, Santa Clara, Monterey, Contra Costa, San Joaquin, Stanislaus, Sacramento, Yuba, Sutter, Placer and Solano.

One detail of agents and Sacramento police and Sheriff's deputies raided in the vicinity of McClelland Field, Mather Field and the Municipal Airport at Sacramento.

Agents were also operating with police in Florin, Isleton, Marysville, Auburn, Loomis, Vacaville, Dixon, Yuba City and Newcastle.

Other agents were working in the Peninsula area and in Santa Clara county—San Jose, Mountain View, Cupertino, Campbell, Los Gatos,

Saratoga, Pescadero and Morgan Hill.

Salinas, where FBI agents have been active before, was raided again.

A fourth group operated in Stockton in the vicinity of the Army Advanced Flying School and the Port of Stockton. Raids were made in San Francisco, Oakland, Alameda and Concord.

SERVICE INTELLIGENCE

TEAMS WITH FBI

It was indicated definite objectives and suspects had been arrived at through exchange of information between army and navy intelligence and the FBI.

Priests who fell into the FBI net were from the Konkokyo and Tenrikyo churches. Both are highly nationalistic and of the Shinto Sect which places the Japanese Emperor as a deity.

Churches founded in the United States are dominated and controlled by Japanese nationals. Priests of the churches were born and educated in Japan.

"Investigation has disclosed that priests of the Tenrikyo Church receive instructions and supplies from their headquarters in Japan, and that Konkokyo worshipers believe their bodies belong to their god and their sovereign, who is the Emperor of Japan," Pieper declared.

ARRESTED JAP BISHOP SERVED IN NIPPON ARMY

Leader Seized Here by FBI
As Dangerous Alien Had 6
Years of Military Training

Torao Tateno, acting bishop of the Konkokyo church in America, who was seized by FBI agents in a new intensified roundup of dangerous enemy aliens had received six years military training and only six months religious education in Japan before he was sent here, Nat J. L. Pieper of the FBI revealed last night.

Although he was sent to Tacoma from Japan three years ago, he came to California shortly before Pearl Harbor on orders of the then Bishop F. Fukuda to organize a branch in Stockton, FBI agents said. The Japanese attack on Pearl Harbor came before he had an opportunity to carry out the orders and Fukuda was seized by the FBI.

Tateno returned to San Francisco and has been holding sway as Fukuda's successor since.

RAIDS IN 14 COUNTIES.

Yesterday's raids were the most farflung since the week-end of March 6 when 105 aliens were taken into custody and large quantities of guns, ammunition,

cameras, signal lights and other contraband were seized. Agents reported at most places raided yesterday there was no appreciable contraband.

The raiders visiting fourteen northern California counties, and areas which already had been raided, sought members of the notorious Japanese Black Dragon secret society and groups which collected funds for the imperial Japanese Army and Navy.

Eight were arrested in Santa Clara County, including Asatoro Yamada, 64, a priest. Others were Hijime Sakamoto, 64; Makiyimo Yoshi, 57; Kosabano Omori, 61; Sohe Agno, 54; Hoshikomo Yamamoto, 47; Morobo Fushikowora, 58, and Higushi Higuschl, 57.

"Those persons taken into custody are being held for the Immigration Department, on the basis that they were known to be potentially dangerous enemy aliens," Pieper said.

The raids came on the eve of enforcement of another drastic order curtailing the movements of Japanese aliens and Japanese Americans—a "freezing order," whereby they are required to stay put in Military Area Number One pending evacuation orders.

MIDNIGHT DEADLINE.

The "freezing" order will become effective at midnight tonight, in an area including the western half of California, Oregon and Washington and the southern half of Arizona. It followed the enforcement of stringent curfew regulations in the same Military Area No. 1 Friday.

Purpose of the edict, declared the Wartime Civil Control Administration (WCCA), handling evacuation, is "to insure an orderly evacuation and to protect the Japanese."

"Several groups planning voluntary evacuations have been fearful of starting, through reports of threats in other States, should they pass through these States," the WCCA said.

"The freezing order prepares the way for an Army regulated program of removal."

2,000 TO BE MOVED.

Announcement was made that families of Japanese and Japanese Americans who volunteered recently to form the advance contingent in the organization of the community at the WCCA's reception center at Manzanar in the Owens Valley will be moved from the Los Angeles area Wednesday and Thursday. Approximately 2,000 Japanese and Japanese Americans are expected to make application for removal before 5 p. m. tomorrow, it was announced.

Meantime, Col. Henry B. Lewis, by order of General De Witt, issued instructions to Japanese Americans having guns, cameras, shortwave radios, ammunition or other contraband in their possession to deliver the contraband to the custody of the nearest office

of the United States Employment Service for safekeeping before midnight Tuesday.

8 SITES ACQUIRED.

The WCCA also announced that eight assembly sites have been acquired in California to handle 37,000 Japanese. Construction is now under way on the sites.

Following are the assembly sites, and the number of Japanese they will handle:

Marysville, one mile south of town, 3,000 Japanese; Wallerq advanced depot, north of Sacramento, 5,000; Stockton Fair Grounds, 5,000; Turlock Fair Grounds and adjacent property, 4,000; Fresno Fair Grounds and adjacent lots, 5,000; Pinedale, six miles north of Fresno on the San Joaquin Canal, 5,000; Tulare Fair Grounds, 5,000.

Meanwhile, L. I. Hewes Jr., regional director of the Farm Security Administration here, warned that crop losses running into millions of dollars are threatened, unless immediate steps are taken to operate Japanese farms now producing vegetables needed in the war.

"The 225,000 acres of Japanese farm land in California produce a substantial share of the Nation's vegetable supply," he said, pleading for continued production after the evacuations.

FBI Seizes U. S. Head Of Jap Sect in New Raids

New and intensified raids to smash the remnants of Japanese secret societies and sects fanatically loyal to Emperor Hirohito were unleashed by agents of the Federal Bureau of Investigation (FBI) and local authorities in twenty northern California communities yesterday.

Thirty-five Japanese had been caught in the widespread net at nightfall, including five priests, and agents were expecting to land several others before dawn today.

Prize catch of the day, according to Nat J. L. Pieper, agent in charge of the northern California office of the FBI, was made in San Francisco with the arrest of the acting bishop in America for the Konkokyo Church -- a sect whose worshippers believe their bodies belong to their sovereign, the emperor of Japan.

He was Torao Tateno, whose headquarters were at a temple in 1909 Bush Street.

Yesterday's raids also were directed at the Tenrikyo sect, whose priests, Pieper said, received their supplies and instructions from headquarters in Japan.

The forays into many vital defense areas such as the vicinity of McClellan and Mather Fields and the Municipal Airport at Sacramento; the vicinity of the Army's Advanced Flying School at Stockton and the Army and Navy Air Base at Moffett Field, were based on information gleaned from previous raids and data formulated jointly by the FBI and Army and Navy Intelligence services.

Alien Roundup Jap Priests, Army Officers Are Arrested

FBI agents and local police raided on a 13-county front in Northern California yesterday, sweeping into the alien enemy net members of the nationalistic Japanese Military Virtue Society and a number of priests of Shinto Sect churches.

Thirty-five persons in 20 communities had been taken into custody on presidential apprehension warrants last night.

Among them were five priests and several reserve officers of the Imperial Japanese Army.

JAPANESE PRIEST ARRESTED HERE

Torao Tateno, priest of the Konkoku Church, arrested in San Francisco, was a good example of the type of enemy alien picked up in yesterday's raids.

Yesterday the FBI had Tateno.

BIG VEGETABLE GROWER SEIZED

Described as "the biggest vegetable grower on the San Mateo coast side," Tom Kuwahara, 45, was taken into custody at his Level Lea ranch at Pescadero.

He is said to be a reserve officer in the Japanese army. A radio shortwave receiving set was seized.

Kuwahara, a San Mateo county truck farmer for 25 years, has a wife and several children, one of whom raiding officers found in bed with the mumps.

TWO MORE RESERVE OFFICERS ARRESTED

Two others said to be Japanese reserve officers were seized in the East Bay.

They are Mitsuzo Uyeda, 53, proprietor of a restaurant at 222 Eighth street, Oakland, a resident of Alameda county since 1935, and Nentaro Ido, 74, retired Concord ranch owner and a resident of Contra Costa county for 40 years.

Both men were declared to be of

In Seattle, Kenji Iki, Japanese business man charged with failing to report possession of \$515,000 worth of Imperial Japanese government bonds and \$15,000 in U. S. currency, was held in \$50,000 bail.

FBI NABS HEAD OF FANATICAL JAP SECT HERE

Army Trained Konkokyo Bishop
Seized; New Cleanup Raids
in 25 Northern State Cities

New, intensified raids to smash remnants of Japanese secret societies and sects fanatically loyal to Emperor Hirohito were unleashed by the FBI and local authorities in fourteen northern California counties yesterday.

Prize catch of the day, it was reported, was made in San Francisco, with the arrest of one Japanese priest who came to California shortly before Pearl Harbor after having received five years' military training, and only six months religious education in Japan.

KONKOKYO BISHOP.

He is Torao Tateno, acting bishop in America for the Konkokyo church, whose headquarters were at a temple at 1909 Bush Street.

"Konkokyo worshippers," emphasized FBI Chief Nat Pieper, "believe their bodies belong to their sovereign, the Emperor of Japan."

Tateno, it was learned, came to California in October, 1941. The then bishop of the church, for America, Y. Fukuda, instructed Tateno to organize a branch in Stockton. Then came Pearl Harbor, and Fukuda was seized here by the FBI. Tateno returned and has been holding sway as Fukuda's successor.

Yesterday's raids also centered on another sect, the Tenrikyo church. Investigation, said Pieper, had disclosed that its priests received instructions and supplies from their headquarters in Japan.

RAIDS IN 25 CITIES.

At an early hour yesterday twenty arrests already had been

made in the farflung raids—raids which extended through twenty-five cities and towns throughout the counties of San Francisco, Alameda, San Mateo, Santa Clara, Monterey, Contra Costa, San Joaquin, Stanislaus, Sacramento, Yuba, Sutter, Placer and Solano.

The action was the most widespread since those of the weekend of March 6, when 105 enemy aliens were taken into custody, and large quantities of guns, ammunitions, cameras, signal lights and other contraband were seized. Yesterday's forays were based on information gleaned from previous raids and data formulated jointly by the FBI and Army and Navy Intelligence.

AREAS REVISITED

Many areas already raided were revisited. These included such vital defense locales as the vicinity of McClelland and Mather Fields and the Municipal Airport at Sacramento; the vicinity of the Army Advanced Flying School at Stockton.

The raiders sought members of Japanese secret societies, including, it was believed, the notorious Black Dragon; and groups which collected funds for the Imperial Japanese Army and Navy.

"Those persons taken into custody are being held for the Immigration Department on the basis that they were known to be potentially dangerous enemy aliens," Pieper said.

The raids came on the eve of enforcement of another drastic order curtailing the movements of Japanese aliens and Japanese Americans—a "freezing order," whereby they are required to stay put in Military Area Number One pending evacuation orders.

should they pass through these States," the WCCA said.

"The freezing order prepares the way for an Army regulated program of removal."

Seeking to escape the freezing order, hundreds of Japanese, aliens and citizens, yesterday rushed to obtain permits to leave here.

8 SITES ACQUIRED.

The WCCA also announced that eight assembly sites have been acquired in California to handle 37,000 Japanese. Construction is now under way on the sites, where the Japanese will be kept pending their removal to more permanent colonization areas.

Following are the assembly sites, and the number of Japanese they will handle:

Marysville, one mile south of town, 3,000 Japanese; Wallerger advanced depot, north of Sacramento, 5,000; Stockton Fair Grounds, 5,000; Turlock Fair Grounds and adjacent property, 4,000; Fresno Fair Grounds and adjacent lots, 5,000; Pinedale, six miles north of Fresno on the San Joaquin Canal, 5,000; Tulare Fair Grounds, 5,000.

gional director of the Federal Security Administration here, warned that crop losses running into millions of dollars are threatened, unless immediate steps are taken to operate Japanese farms now producing vegetables needed in the war.

Oakland, 16 Other
Cities in Sweep for
'Dangerous' Aliens

Thirty-six "potentially dangerous" Japanese aliens were rounded up yesterday as F.B.I. agents and local authorities co-operated in a co-ordinated series of raids that struck in Oakland and 16 other Northern California communities.

The raids, most widespread since those of March 6, got under way at dawn and continued long after nightfall.

The raiding parties, acting on an interchange of information between F.B.I., Naval Intelligence and Army Intelligence, acted as the Government prepared for large-scale evacuation of enemy aliens and American-born Japanese from Coastal military zones.

'FREEZING' ORDER TODAY

At midnight today a "freezing" order for enemy aliens and Japanese-Americans becomes effective. After that deadline such persons residing in military areas will not be able to evacuate except under Army supervision.

As the deadline approached, there was a rush for Japanese to dispose of fishing gear, washing machines and household effects.

Tom C. Clark, chief of the War-time Civil Control Administration's civilian staff, and Lieut. Gen. J. L. Dewitt, commander of the Western Defense Area, warned that "anyone taking advantage of the perplexed state of mind of the Japanese to defraud them of their property will be prosecuted by the Department of Justice."

TO STORE BELONGINGS

They pointed out that arrangements are being made to store belongings of evacuated Japanese in warehouses, and that Japanese are able to obtain information on this matter at offices near their quarters.

There was a flurry of excitement in official circles late last night when two car-loads of Japanese, en route from Los Angeles to Utah and voluntarily exile, were held up in Oakland as other members of their caravan fell behind.

Police, after a check with the F.B.I., aided the Japanese in contacting Oakland members of their group. Then the evacuees, seven adults and three children, waited here to pick up the remnants of the caravan. Officers were called into the picture by excited citizens.

At Fort Lewis, Wash., Army officials announced that 239 alien and American-born Japanese from Bainbridge Island in Puget Sound will be taken by train tomorrow to Manzanar, in Owens Valley, in the Pacific Northwest's first enforced evacuation.

The raids yesterday, directed

principally ~~against~~ members and officials of the Military Virtue Society and Japanese priests, were made in an attempt to round up all dangerous Japanese aliens before the enforced evacuations from the coastal areas. The "freezing" order going into effect tonight was believed to indicate that the enforced evacuation date would be set shortly.

CENTERS ANNOUNCED

Meanwhile, the Wartime Civil Control Administration announced selection of eight Northern California collection centers to house aliens pending their removal to Manzanar and other reception centers, and regional officials of the Federal Farm Security Administration called for American farmers to take over 8000 Japanese and Japanese-American farms totaling 225,000 acres.

Col. Karl R. Bendetsen, assistant chief of staff of civil affairs of the Western Defense Command, announced that about 2000 members of families of the volunteer Japanese who went to Manzanar to start the colonization will leave Los Angeles Wednesday and Thursday to join the men at camp.

Among the 36 taken into custody was Mitsuzo Uyeda, 53, proprietor of a restaurant at 222 Eighth Street, whom officers declared to be an officer of the Japanese military organization. Born in Japan, Uyeda has resided in California for the past 42 years and in Alameda County since 1939.

In Contra Costa County, raiders apprehended Mentaro Ide, 74, retired, widely-known Concord district rancher. He has been a resident of the county for 40 years.

Explaining the concentration on Japanese priests, Nat J. L. Pieper, special agent in charge of the San Francisco FBI office, said they were leaders of Shinto sect churches.

TWO SECTS REPRESENTED

Several of those arrested were priests of the Konkokyo Church while others represented the Tenrikyo Church, ~~the~~ which origin-

ated in Japan ~~and~~ whose priests were born in Japan.

"Each of these forms of religious belief," Pieper asserted, "is based upon worship of the Japanese emperor as a deity."

Priests, churches and missionary work of the Konkokyo Church are controlled in Japan, Pieper continued. The church professes belief in gods of the universe considered to ~~continue~~ their divine spheres to Japan and is strongly pro-Japanese. The Tenrikyo Church, he said, advocates worship of the forces of nature and regards these forces as gods, with the sun as the supreme god. The soul of the sun god is purported to have founded the reigning house in Japan, Pieper noted, and hence the emperor is worshipped as of divine origin.

LINKS WITH HOMELAND

"Investigation has disclosed," Pieper concluded, "that priests of the Tenrikyo churches receive instructions and supplies from their headquarters in Japan and that Konkokyo worshippers believe their bodies belong to their god and their sovereign, who is the emperor of Japan."

The latest drive brought to almost 1000 the number of aliens apprehended in Northern California since December 7. Raiders were reported active in more than a score of communities. Many of the areas had been visited several times previously.

W.C.C.A. officials said collection centers capable of accommodating 37,000 aliens would be situated at:

L. I. Hewes Jr., regional director for Federal Farm Security Administration, called for American farmers to take over the 8000 farms totaling 225,000 acres and producing vital crops.

He said 1000 American farmers had volunteered to operate this land so far and many more were needed immediately to save the crops. He said losses already were occurring in crop and poultry industries because of removal of their Japanese operators. Hewes warned the 100 FSA agents now active in the program could not take care of land effected.

SITUATION CRITICAL

Hewes said the situation in the tomato industry was especially critical because the tomatoes must be transplanted now. He warned large losses would occur in tomato, spinach, onion, garlic, celery, pea and snap bean crops unless American farmers took over. Persons interested were asked to contact the W.C.C.A. officers in 64 coast cities.

F.B.I. headquarters in San Diego reported seizure from two Japanese of two swords, a shotgun, four pistols, four rifles, three boxes of ammunition and a home-made radio in the largest individual cache of contraband found in that area.

FBI Jails Local Shinto Priests

Plan Centers To Aid Alien Removal

More arrests of enemy aliens in the Sacramento district, including two priests of the Konkokyo and Tenrikyo denominations of the Shinto sect, and the immediate start of construction of evacuation assembly stations near the capital and at Marysville, were parallel fronts yesterday in the government's alien control program.

The local priests were listed as Rev. Kumakichi Kojima, 41, Tenrikyo church, 1420 Second street, and Rev. Yasukichi Yasumura, 57, 604 O street, of the Konkokyo church.

Instructions From Japan

Meanwhile, Nat Pieper, northern California FBI chief, declared investigations had disclosed priests of the Tenrikyo church receive instructions and supplies from headquarters in Japan and that Konkokyo worshippers believe their bodies belong to their god and their sovereign, who is emperor of Japan.

Both denominations are strongly nationalistic in their teachings, he said, and adhere firmly to the Shinto doctrine of the divinity of the Japanese emperor.

Five More Arrested

Also booked and described as "potentially dangerous enemy aliens" by the FBI, Sacramento police and county officers, were the following additional five men:

Motomu Kandara, 57, of 1609 37th street, shoe merchant at 1315 Fourth street; Shiehi Fukuhana, 61, route 2, box 3395, Perkins, father of 10 children, and his son, Mitsua Fukuhana, 39, father of seven, same address; Takuichi Imada, box 3125, Perkins, and Nichihara Akiyama, box 3, Florin.

Local authorities said men were still out and that other arrests, particularly in the mill-

fairly important Mather field-air depot-municipal airport triangle here, were expected to be announced momentarily.

Other outstanding developments in the alien control program yesterday:

1—Issuing of another urgent call by the U. S. employment service, 1330 J street, for at least 200 more carpenters. Roy C. Donnelly, manager, said about 100 carpenters had been sent out to work on the Walerga assembly station for aliens, about two miles from the air depot, but that many more were needed to complete the facilities by April 15.

2—Listing of Aladino Del Porto, 50, as the first Sacramento violator of the new alien curfew regulations which went into effect Friday. Found walking on a downtown street early yesterday, he was booked by police en route to the U. S. immigration service. Officers said he had been drinking.

3—Speeding of work on the alien assembly station at Marysville, designed to handle 3000 persons as they are "filtered through" to more permanent quarters farther in the interior. Officials pointed out the local Walerga station will have a capacity of 5000 persons.

4—Stressing by the army's wartime civil control administration that the station here, in Marysville, and other California points, were not to be confused with resettlement centers, the semi-permanent community developments farther inland where the government plans to relocate many of the Japanese for the duration of the war.

Evacuees will be kept at the local assembly points only until arrangements have been completed to transfer them to their new homes. This might be anywhere from two days to two months, depending on individual cases, a WCCA spokesman said. The assembly camps will be

abandoned as soon as the general migration is ended.

Many Other Arrests

Associated Press dispatches from San Francisco revealed wholesale arrests of enemy nationals were being made all over the state by the FBI, supported by local police. They descended at dawn yesterday on Japanese colonies scattered through 25 cities and town in 13 northern California counties.

In all cases, their chief quarry were known members of the Shinto priesthood, members of the militaristic Virtue society and officials of an organization formed to collect funds for the Japanese army and navy.

Meanwhile, it was said that crews under army direction were working on eight assembly camps in various parts of the state where, starting probably this week, some 37,000 northern California Japanese aliens and citizens will be gathered and stationed temporarily en route to their new homes deeper in the interior.

More such stations likely will be built in the near future, officials said.

Yesterday's raids, the most widespread in this district since the FBI apprehended 106 enemy aliens and seized great stores of contraband the week-end of March 6, also netted at least one officer of the Virtue society and one reserve officer in the Japanese army.

8 Japanese Arrested In New Raids

Eight Japanese were held in county jail here yesterday following continuing raids in Sacramento, Yolo and Placer counties before the army's new "freezing" order became effective, making all Japanese—American-born as well as aliens—virtual prisoners of their home communities.

FBI agents described those in custody here as members of organizations closely allied with the Japanese government, and reported seizure of several short-wave radios, sabers and a pair of U. S. army signal flags.

From Placer, Isleton

Jailed were George S. Oki, 35; T. J. Fujino, 51; I. Teina, 43, and S. Makabe, 63, from Placer county; Harry Sakugo Tsuda, 27, of route 8, box 4168, in Yolo county, and Tamijo Takehana, Zenichi Yamashita and Takashi Nichijima of the Isleton district.

Under the order becoming effective last midnight, voluntary evacuation by Japanese must cease, and all in military area No. 1, along the Pacific coast, must remain in their homes, under terms of the curfew regulation, until moved to evacuation centers.

Lt.-Gen. John L. DeWitt, chief of the western defense command and fourth army, said that a few aliens, upon furnishing proof of status, will be exempt from evacuation.

Few Aliens Exempt

Those aliens eligible for exemption will be Germans and Italians 70 or over; Germans and Italians who are parents, wife, husband or children of any member of the U. S. armed forces or a member of the forces killed on or since December 7; Germans and Italians who were awaiting naturalization December 7; hospital patients too ill to be moved and inmates of orphanages and the totally deaf, dumb or blind.

The army's first compulsory evacuation of Japanese was under way in Washington, where Japanese residents of Bainbridge island opposite the Puget sound navy yard at Bremerton finished packing last night for mass movement to a Manzanar, Calif., evacuation center. In all, 227 sons from the island will be taken to Seattle, placed on a ship and sent to the California center.

2000 for Manzanar

At Manzanar, in Owens valley, 270 miles northeast of Los Angeles, preparations were made for receiving 2000 more Japanese there this week. More than 1000 Japanese already are isolated there.

The military curfew on Japanese and enemy aliens imposed last Friday apparently was heading for a court test at Portland. Minoru Yasui, who identified himself as an American-born lawyer from Hood River, Ore., walked into the Portland police station late last night and said he wanted to challenge constitutionality of the military order in court. The order bars even American-born Japanese from

the streets between 8 p. m. and 6 a. m.

Officials at San Francisco announced Japanese faced with evacuation may store their property if unable to obtain a fair price for it, and threatened with prosecution any person defrauding them.

'Maximum of Fairness'

General DeWitt said:

"Evacuation of Japanese from the west coast is a military necessity, but I insist it shall be accomplished with maximum of fairness, consistent with rapid and orderly accomplishment of the objective."

War-time civil control administration headquarters said a number of reports had been received that the Japanese, facing last night's order, were rushing to dispose of such possessions as household effects, refrigerators, washing machines and fishing gear.

At Portland, it was reported that many Japanese, soon to be evacuated, have hurried to get married. County Clerk Tom Patterson said last night that several months ago there was a flurry of Japanese taking out marriage licenses, but that very few are doing so here now.

Re: ALIEN ENEMY CONTROL
Notice to interested field office
of final disposition in alien
enemy cases.

Dear Sir:

Please be advised that no notice of final disposition of alien enemy cases is being received by this field office where the Subject has been sent to Fort Lincoln, North Dakota, or Fort Missoula, Montana, for detention and hearing. The only cases in which this office is advised of disposition is where the subjects are detained and heard in San Francisco, or where the Immigration and Naturalization Service at San Francisco make arrangement for the parole of subjects.

This situation has caused this office embarrassment in cases where we have not been advised of the release of certain subjects and they have returned to this area without our knowledge. It also makes it impossible to keep the Field Division Arrest Register up to date.

It is respectfully requested that the Bureau arrange either that copies of the Attorney General's final dispositions of alien enemy cases be forwarded to the interested field offices or that the Bureau receive copies of the Attorney General's final dispositions and immediately forward such information to the interested field offices.
